CT-7525	Spring-Loaded Tensioner/Roller Guide (8"-9")	25 lbs.
CT-7550	Spring-Loaded Tensioner/Roller Guide (6"-7")	22 lbs.
CT-7500A	4-way Fairlead/Roller Guide (11"-12")	28 lbs.
CT-7525A	4-way Fairlead/Roller Guide (8"-9")	25 lbs.
CT-7550A	4-way Fairlead/Roller Guide (6"-7")	22 lbs.

*Your Cables will last much longer with a Cable Tensioner/Roller Guide
Or 4-way Fairlead/Roller Guide installed on your winch.
Avoid flat spots and kinking. Improved winding and durability.
Save time and money by increasing cable life
and reduce the chance of breakage.*

*All Pushbumper.com Roller Guides feature Brass Bushings
and Zinc Plated Rollers for durability.
Purchase them with or without spring loaded horizontal rollers.*
